Subject: Fwd: Beryl Advisory Letter

FYI: Received this pursuant to an informal "coordination meeting" with the local DEQ District Engineer, Scott Hacking. I requested copies of the letters so we'd know what's going on in the event some of these parties contact our office for direction.

Hi Kerry,

Scott Hacking indicated that you would like copies of the subject letter. Attached is the standardized advisory letter we sent to seven private well owners in the Beryl area. The six other well owners are listed below. I will snail mail you file copies of the signed letters for your records. Sorry you didn't get cc'd.
